

The page is decorated with various Easter-themed illustrations. At the top left, a large yellow egg with light yellow polka dots is partially visible. To its right is a solid red egg. Below these are two pink flowers with black centers. The background features light blue curved lines. On the left and right sides, there are green vine-like illustrations with leaves. At the bottom, there are more Easter eggs: a red one, a large orange one with horizontal stripes, and another pink flower.
